

Dear Lord,

Thank you for the freedom to use the gifts you have given me, the wisdom to give them back to you for your glory, and the opportunity to serve you in the marketplace.

Today, I ask for strength to persevere through challenges that may come my way in business.

Help me to rest knowing that you have fought and won every battle on my behalf.

I ask for provision so that my business would be a sustainable source of income for those that are connected to it. I ask for fresh inspiration and creativity so that I can positively impact and change lives.

Help me to run my business with integrity, diligence and compassion so that I can be a lighthouse in my industry and community.

I pray that you turn the hardships into testimonies of beauty and that favor would follow me everywhere that I go.

Where I am lacking in faith, Father, help my unbelief.

I thank you for the confidence that I can have knowing you hear my prayers and that you will bring me to an expected end.

In Jesus' name.  
Amen.
